RAISING \$1,000,000

The Rotary Foundation has earned a 4-star rating from Charity Navigator for 17 consecutive years.

An ambitious and meaningful quest to raise USD \$1 million by September 30, 2026, for The Rotary Foundation and The Rotary Foundation Canada

Here's Why

Nearly half of all donations designated to the SHARE Fund **return to District 5060**, supporting grants chosen by our clubs and benefiting our communities directly. Recent examples include:

- **Furniture Library Learning Commons – Lake Country**
- **Willow Point Park Playground – Chelan**
- **Kinder Bear Playground Climbing Wall – Penticton**
- **Sensory Garden – Ellensburg**
- **Safe Motherhood Project – Salmon Arm**

Most of the remaining SHARE funds are directed to the World Fund, supporting Rotary projects around the globe.

Your contribution helps advance Rotary's priorities, including Polio eradication, peace and conflict resolution, and Rotary's Areas of Focus.

The Rotary Foundation is consistently recognized as one of the world's top charities, earning the highest rating from Charity Navigator for 17 consecutive years.

88% of all funds are spent directly on programs and operations.
