

YOUR LEGACY, ROTARY'S PROMISE

With one gift to the Endowment, your support for Rotary Foundation activities can last forever. To secure Your Rotary Legacy, make an outright gift now or create a plan for a future gift through your estate (bequest).

The Endowment works by investing your gift and spending only a portion of the earnings on the programs most meaningful to you. This provides stability and resources for the long term. Your gift or bequest can provide for any of the programs you support today.

World Fund offers unrestricted support wherever the need is greatest and provides a match so every Rotary district can participate in Foundation programs.

SHARE splits annual earnings between the World Fund and District Designated Funds so districts can participate in Foundation activities to improve communities locally and around the world.

Rotary's focused areas provide humanitarian projects, scholarships, and vocational training teams in these specific areas:

- Basic education and literacy
- Community economic development
- Disease prevention and treatment
- Maternal and child health
- Peacebuilding and conflict prevention
- Water, sanitation, and hygiene
- Environment

KNOW YOUR ENDURING IMPACT

Identify your gift to the Endowment and receive annual financial updates and special communications about your impact. Ensure your district is aware of your Legacy's enduring impact by planning now to have your bequest identified. Options depend on the size and purpose of the gift or bequest.

Naming your fund begins at **\$25,000** and includes Rotary's most cherished programs: World Fund, SHARE, Rotary's Causes, and the Peace Centers.

Your named fund of **\$150,000** can support a recurring scholarship, vocational training team or humanitarian project.

The **\$250,000** and **\$500,000** levels allow you to provide further specificity as to how, why, and where the activity occurs, by selecting two or three of the following, respectively:

- Activity (scholarship, humanitarian, or vocational training team)
- Rotary cause
- District sponsor
- General geographic location for the activity, such as Africa, Asia, or Latin America
